

# IS YOUR BUILDING SAFE?

- ✈️ **“The WTC was probably one of the more resistant tall buildings....they just don't build them as tough as the World Trade Center” Scientific American, 2001**
- ✈️ **“The specifics of the fires in WTC 7 and how they caused the building to collapse remain unknown at this time.” FEMA. [47 floor steel building constructed normally]**
- ✈️ **All three buildings collapsed in under 10 seconds, the maximum speed of gravity.**
- ✈️ **The South Tower fell after only one hour. 4000 died. Meridian One burned fiercely for 19 hours in 1991 and never collapsed.**
- ✈️ **All of the important evidence from the disaster was destroyed, illegally, before the investigation was concluded, some before it began - Fire Engineering.**
- ✈️ **“The investigation of the WTC is a half-baked farce.” - Fire Engineering Magazine.**
- ✈️ **\$600,000 was spent investigating the WTC collapses vs. \$40,000,000 on Clinton's sex.**

Secrecy and lies beg questions. Mr. Hufschmid looks for conspiracies and asks intelligent questions. Being right or wrong on one issue is not proof of right or wrong on another. Logically, who would be least afraid of ridicule and the first to look for a conspiracy? Remember that in the legend, the wolf did finally come.
